- a) Name: First: _____ Last: _____ ID#: _____
- b) Company Name (if applicable): _____
- c) Contact Name: _____ Title: _____
- d) Mailing Address: _____ Apt/Unit/Ste Number: _____
- e) City: _____ State: _____ Zip: _____
- f) Phone Number: Day: _____ Evening: _____ Cell: _____
- g) Fax: _____ e-mail: _____

3) PROPERTY INFORMATION:

- a) Appraisal District Property ID Number: R _____ Physical Address _____
- b) Subdivision Name: _____ Survey Name: _____
- c) Phase: _____ Unit: _____ Section: _____ Abstract Number: _____
- d) Block: _____ Lot: _____ Acreage: _____ Acreage: _____

4) WILDLIFE MANAGEMENT ACTIVITIES TO BE COVERED (check all that apply):

- Brush Managementsee Section 3.0 of Appendix F
- Reforestationsee Section 4.0 of Appendix F
- Prescribed Burns+++see Section 5.0 of Appendix F
- Strip Diskingsee Section 6.1 of Appendix F
- Food Plotssee Section 6.2 of Appendix F
- Overseeding Tame Pasturessee Section 6.3 of Appendix F
- Native Grassland Restorationsee Section 7.0 of Appendix F
- Fire Ant Controlsee Section 9.0 of Appendix F

+++ Prescribed burning plans must be prepared by a qualified prescribed burn specialist in accordance with State and local statutes, incorporate the Wildlife Management Guidelines in Appendix F to the LPHCP, and be reviewed by the Bastrop County Office of Emergency Management prior to submittal to the LPHCP Administrator.

5) MANAGEMENT PLAN OPTION (check one):

- Applicant is a member of a Wildlife Management Association with a Texas Parks and Wildlife Department (TPWD) approved Wildlife Management Plan that incorporates the *Wildlife Management Guidelines* in Appendix F to the LPHCP.
- Applicant has a wildlife management plan that meets the requirements to receive a 1-D-1 open-space agricultural property tax appraisal for wildlife management use and at least one of the three required activities in the wildlife management plan specifically addresses the Houston toad.
- Applicant has a wildlife management plan agreement with TPWD or conservation organization, agency, or professional wildlife management consultant that incorporates the *Wildlife Management Guidelines* in Appendix F to the LPHCP.

6) REQUIRED APPLICATION ATTACHMENTS:

- Application Fee of \$100 Annual Renewal Fee of \$20
- Complete copy of an unexpired Wildlife Management Plan that complies with the *Wildlife Management Guidelines* in Appendix F to the LPHCP.
- Map of the property showing the location of all water features and water management zones (WMZs), as defined in Section 2.0 of Appendix F to the LPHCP.
- Signed authorization of the landowner, if different than the applicant.

7) READ CAREFULLY AND INITIAL EACH STATEMENT TO SHOW YOUR ACCEPTANCE OF THE STATEMENT:

_____ I understand that Bastrop County does not approve wildlife management plans. It is the obligation of the
Initial landowner to ensure that the landowner’s wildlife management plan complies with applicable governmental requirements and accurately incorporates the requirements of the *Wildlife Management Guidelines* set out in Appendix F to the LPHCP. Failure to properly incorporate the requirements of the *Wildlife Management Guidelines* in Appendix F to the LPHCP into the wildlife management plan or the failure to properly implement the requirements of the *Wildlife Management Guidelines* in Appendix F to the LPHCP may result in no incidental take permit coverage under the LPHCP.

_____ I understand that the Bastrop County Office of Emergency Management (OEM) does not approve prescribed
Initial burn plans. It is the obligation of the landowner to ensure that the prescribed burn plan is prepared by a qualified burn specialist, complies with state and local statutes, incorporates the *Wildlife Management Guidelines* set out in Appendix F to the LPHCP, and is reviewed by the OEM prior to submittal to the LPHCP Administrator. Failure to properly incorporate the requirements into the prescribed burn plan or the failure to properly implement the requirements of the *Wildlife Management Guidelines* set out in Appendix F to the LPHCP may result in no incidental take permit coverage under the LPHCP.

_____ I understand that wildlife management practices covered for incidental take of the Houston toad under the
Initial LPHCP must be performed pursuant to an approved wildlife management plan that meets the requirements of the LPHCP.

_____ I understand that the LPHCP will provide incidental take permit coverage for the incidental take of the
Initial Houston toad resulting from activities associated with wildlife management as indicated in the attached wildlife management plan if and only if the activities follow the *Wildlife Management Guidelines* in Appendix F to the LPHCP, including the identification and designation of Water Management Zones (WMZs).

_____ I understand that the LPHCP does not provide incidental take permit coverage for the conversion of native
Initial vegetation communities to intensive agricultural uses, including creation of new crop fields, seeding native grasslands with sod grasses, clearing woodlands or overstocking grazing/stocking to levels not consistent with the guidelines of the Natural Resources Conservation Service (NRCS) for the type of vegetation and use.

_____ I understand that incidental take covered for the Houston toad, as provided by the issuance of a Notice of
Initial Receipt (NOR), will not extend to any activity not specifically identified in the NOR and in the wildlife management plan submitted with this Notice of Intent (NOI).

_____ I understand that Bastrop County retains the right to suspend or cancel a NOR for Wildlife Management
Initial activities if the person named in the NOR does not fully comply with the Wildlife Management plan
attached to this NOI, the *Wildlife Management Guidelines* in Appendix F to the LPHCP, and the LPHCP.

_____ I understand that the NOR will expire on the earlier to occur: a) the expiration date reflected on the NOR;
Initial or b) the expiration of the wildlife management plan submitted with the NOI.

_____ I understand that the NOR must be renewed each year to maintain incidental take permit coverage for wildlife
Initial management activities.

_____ I understand and agree that neither Bastrop County nor County staff have provided me any advice
Initial regarding property tax issues.

_____ I hereby represent and warrant that I have read and am familiar with the *Wildlife Management Guidelines* in
Initial Appendix F to the LPHCP.

_____ I understand and agree that upon locating a dead, injured, or sick Houston toad, or any other endangered or
Initial threatened species, the applicant is required to contact the Service's Law Enforcement Office in Austin,
Texas, (512) 490-0948, or in San Antonio, Texas, (210) 681-8419, for care and disposition instructions.
Extreme care should be taken in handling sick or injured individuals to ensure effective and proper treatment.
Care should also be taken in handling dead specimens to preserve biological materials in the best possible
state for analysis of cause of death. In conjunction with the care of sick or injured endangered/threatened
species, or preservation of biological materials from a dead specimen, the applicant and their
contractor/subcontractor have the responsibility to ensure that evidence intrinsic to the specimen is not
unnecessarily disturbed.

_____ I understand that the issuance of a NOR is strictly conditioned on the landowner granting Bastrop County, its
Initial employees and agents the right to enter the property for monitoring compliance with the *Wildlife
Management Guidelines* and for biological monitoring.

_____ I hereby grant Bastrop County, its employees, and its contractors the right to enter the property, after
Initial reasonable efforts to provide notice and at reasonable times of entry, subject to this NOI for the purpose of
verifying the NOI application, for monitoring compliance with the *Wildlife Management Guidelines*, and for
biological monitoring.

_____ I understand and agree to post the property with a LPHCP Participant sign, which will be provided by the
Initial County, and that the sign be located so as to be visible from the road that affords primary access to the
property.

_____ I understand that under current Texas law, if the Wildlife Conservation Easement is terminated the owner of
Initial the Property will be subject to rollback taxes.

BY SIGNING BELOW, I REPRESENT AND WARRANT THAT ALL INFORMATION CONTAINED IN THIS NOTICE OF INTENT IS TRUE, ACCURATE, AND COMPLETE. I REPRESENT AND WARRANT THAT THE WILDLIFE MANAGEMENT PLAN ATTACHED TO AND MADE A PART OF THIS NOTICE OF INTENT IS A TRUE AND COMPLETE COPY OF A WILDLIFE MANAGEMENT PLAN THAT COMPLIES WITH THE *WILDLIFE MANAGEMENT GUIDELINES* IN APPENDIX F TO THE LOST PINES HABITAT CONSERVATION PLAN. I REPRESENT AND WARRANT THAT I AM THE OWNER OF THE PROPERTY IDENTIFIED ABOVE OR THAT I HAVE THE AUTHORITY TO SIGN THIS NOTICE OF INTENT ON BEHALF OF THE LANDOWNER.
