ITEMS FOR ADDENDUM 1

Q: This project is a lump sum and not a unit price bid. If the headwall or wing wall heights deviate from those shown on the Box Culvert Supplement Sheet due to field conditions, will the additional costs be addressed by change order?

A: Yes, any changes in conditions on the ground that differ from the bid specifications will be handled through a contract change order. All change orders must be approved by the Bastrop County Engineer and Bastrop County Commissioner's Court.
