Q: Do you know what your annual usage is for gasoline, diesel & DEF?

A: The chart on the next page shows an estimated quantity of gasoline, diesel and diesel exhaust fluid (DEF) that Bastrop County uses annually. These estimated averages are just an estimate and are in no way a guarantee of quantities that Bastrop County will purchase from the selected Petroleum Products vendor. Also include on the chart with the fuel averages for each location, you will find a delivery address associated with that location.
