Bastrop County Tourism office also assists residents, visitors and the general public with any questions or information about Bastrop County. Bastrop County continues to build on our historical and recreational appeal by staying true to our brand, while creating a great infrastructure for any visit. A few of the amenities include welcoming hotels, plenty of entertainment, dining and shopping.

As Bastrop County continues to develop, grow and change the county is seeking assistance of a professional advertising company that has experience in both county and destination marketing categories. The services needed for this campaign include creative, conceptual, multi-media ad production, media planning and buying, social media management, SEO and SEM strategies and implementation, account servicing and general account management.

Bastrop County desires to hire a highly respected, successful brand development firm which specializes in branding Counties/Cities/Regions, to help define the County's strengths and assets, thereby giving the

County a stronger and more viable image and unified message as it markets to attract tourists, events and meetings, business investment, workforce and new residents. It is important the brand promise and subsequent materials work for all of these marketing audiences, as well as to improve the overall image and perception of Bastrop County. The anticipated budget for these requested services is approximately \$150,000 for marketing and approximately \$60,000 for professional services.

About Bastrop County:

Bastrop County is in the Austin Metropolitan Area and encompasses approximately 895 square miles of Southeast Central Texas. The major thoroughfares that traverse Bastrop County are State Highways 71, 95, 21, 290 and 304. There are three Cities within Bastrop County, and they are Bastrop (the County Seat), Smithville, and Elgin. The Cities of Bastrop, Elgin and Smithville are known as the “Historic Triangle”, because they were voted three of the most historical small towns in Texas. There are several other non-incorporated areas within the County that have a significant population of Bastrop County residents.

Bastrop County is currently experiencing a rapid growth in its population. In the 2000 US Census Bastrop County had 57,733 residents, in the 2010 US Census Bastrop County had 74,171 residents and in the 2020 US Census Bastrop County had 97,216 residents. According to the Texas Water Development Board, the population of Bastrop County in 2030 is expected to be approximately 143,212 residents.

Bastrop County promotes itself as the premier destination for indoor and outdoor tourism. Our world-class parks, the Colorado River, golf courses, top ranked fishing lake and nature center attract tourists from all over. Visitors can have fun in the sun by hiking, biking, swimming, kayaking, camping, or canoeing. We also have charming main streets with great shopping, art galleries, boutiques and delicious restaurants.

Scope of Services:

This marketing project will be a collaborative approach by the successful proposer who will:

- Conduct a thorough assessment of the destination offerings, amenities and strategies.
- Create a brand marketing strategy with specific implementation strategies.

Bastrop County currently has a brand that has been successful over the past thirteen years and Bastrop County would like the selected proposer to continue the marketing of this brand. Since this brand is the County's promise to the outside world, it needs to be professionally marketed. The continuation of the brand should be based on intensive research which includes input from both those inside and outside of the community so current perceptions of Bastrop County are understood and addressed with any proposed strategy. Firm will work with the County to recommend implementation of the brand in future marketing efforts.

The primary objectives of this destination brand initiative are:

- Work with Bastrop County and key stakeholders to refine the brand and brand promise that anchors Bastrop County in delivering cohesive messaging and visuals to better market us as a destination for events, meetings/conventions, groups and leisure travelers.
- Create a strategy for effectively communicating our brand to our target markets, stakeholders and visitors (through identity, image and marketing, etc.)
- Budgets for this work will be funding through the Bastrop County HOT Funds with a primary goal of increasing lodging occupancy rates

At this time the County does not have a fixed budget for these services but is requesting the Firm submit a cafeteria style implementation cost with their plan to help create the overall pricing plan. The action plan should consist of three components; Branding, Development and Marketing.

Branding

The selected firm will conduct the needed research and interviews to continue the marketing and refinement of the current Bastrop County brand identity and subsequent template materials including guidelines for long-term use.

Development

The firm will work with the County and its partners to facilitate the brand to insure that it is inclusive and representative of the various public and private organizations which we represent.

If formal award has not occurred within 90 days of proposal opening, the Contractor and the County may mutually agree to extend the firm price period.

3. **Term of Contract and Option to Extend**

- A. Any contract resulting from this RFP shall be effective for **twenty four (24) months** from date of a Notice to Proceed letter issued by Bastrop County. The County anticipates that contract shall be renewed pursuant to the availability of funds and at the discretion of the County. The following clauses shall be included in the contract:
- B. **Option Clause:** It is agreed that County will have the option to extend the contract for up to two (2) additional years, in one-year intervals. To exercise this option, the County shall serve notice 30 days prior to contract termination or to the end of any one-year extension. The Option to Extend will not be considered if funding is unavailable or if the contractor's past performance is not within the industry standard.
- C. **Escalation Clause:** Should market conditions prevail which dictate an increase, the successful contractor may submit documentation requesting permission to increase pricing no later than 30 days after receiving notice from the County of its intent to extend the agreement. Escalation may only occur at the time of renewal and only upon securing the approval of the County in writing. Requests for price adjustments must be solely for the purpose of accommodating an increase in the contractor's cost, not profits.

Vendors shall show in this quote their anticipated percent of escalation if/when the option to

extend is exercised. The percent quoted will be a maximum. In addition, the percentage proposed will be a factor in determining the best value to the County. It is the average price over the period of the contract that will be the price factor considered in the evaluation of this quote. Quotes in which negative or no escalation is shown will be considered as 0% escalation.

- D. Price Increases Upon Extension: If approved by the County, the Contractor shall modify the rates charged by the Contractor to reflect any changes shown in the comparative statement delivered to the County. The maximum increase allowed under this provision shall be four percent (4%) per year. The County shall have authority, in its reasonable discretion, to determine the validity of any change in Contractor's rates. County cannot exercise the Option to Extend with any price increases unless the Vendor completes the section of the Quote requesting anticipated percentage of annual escalation.

Implementation of House Bill 1295

Certificate of Interested Parties (Form 1295):

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added [section 2252.908](#) of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency.

The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Changed or Amended Contracts:

Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least \$1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least \$1 million.

As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules ([Chapter 46](#)) to implement the law. The Commission does not have any additional authority to enforce or interpret [section 2252.908](#) of the Government Code.

Filing Process:

A business entity must use the [Form 1295 filing application](#) the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a “certification of filing.”

An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Acknowledgement by State Agency or Governmental Entity:

The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission’s filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form.

Changes to Form 1295

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an “unsworn declaration.”

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- A sponsored research contract of an institution of higher education;
- An interagency contract of a state agency or an institution of higher education;

- A contract related to health and human services if: o the value of the contract cannot be determined at the time the contract is executed; and o any qualified vendor is eligible for the contract;
- A contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
- A contract with an electric utility, as that term is defined by Section 31.002, Utilities Code;* or
- A contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.*

The newly exempt contract types are marked with an asterisk.

Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018.

Will my date of birth and address appear on the TEC’s website when I file the form?

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also *Paxton v. City of Dall.*, No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here).
